Project management methodology and frameworks

Kanban

Let's Engage

Time and Material (T&M)

- For projects with no clear requirements and multiple changes
- Cost is based on direct labor hours at
- a prediscussed hour rate

Revenue Sharing

- Increasing revenue flow with our digital solutions with zero upfront investment
- We invest our services in projects with high upside potential

Outstaffing

- For complex, long projects
- Based on hourly rates

Fixed Bid

- For small and urgent projects
- requirements

Offshore Dedicated Team (ODT/ODC)

- For all companies aiming to reduce costs and extend the current development team
- Based on hourly rates

• For projects with clear, stable, and settled
